

APPLY FOR EVA JUNIOR FELLOWS NETWORK!

EVA **Junior Fellows Network** for students and young researchers was launched in 2003. Every autumn EVA organises a seminar for Junior Fellows, during which they have a possibility to exchange ideas with Finnish business leaders and experts from different sectors. Our aim is to build **partnerships** between young talents starting their career and the Finnish business community. Each year we nominate 20 new Junior Fellows for a period of two years.

Are you a 2006 EVA Junior Fellow?

We look for:

- Students (graduate and post-graduate), young researchers or young professionals
- Finns residing abroad and non-Finns residing in Finland or abroad
- ...studying/researching fields related to EVA's work and areas of interest (especially business, economics, social sciences including international relations)
- ...having an interest in the Finnish business community and society
- ...possessing talent, enthusiasm and ability to express opinions!

We offer:

- An annual seminar in Finland where you have a chance to discuss and debate current issues with other Junior Fellows as well as top leaders from the fields of business, politics and media
- An active and international network of talented young researchers. Currently, the network includes Junior Fellows from China, Russia, Estonia, France, Italy, the Netherlands and USA among others
- A possibility to contribute to EVA's activities e.g. by exchanging ideas and writing articles to EVA's web site and publications
- A possibility to keep in touch with the Finnish business community and society
- Support in recruitment and scholarship application processes

How to apply?

Please fill in the application form on www.eva.fi -> Junior Fellows.

We will confirm the reception of each application and contact all applicants after the final selection is made.
